DRAWINGS

Frame; two stories; gable roof, gabled toward facade and trimmed like a pediment; large arched opening to attic, now locked up; twin chimneys ^(COMMON BOND) in rear wall. Front three bays, center door. Stoop porch with double turned posts support a pediment which is pierced by an elliptical arch. Simple pedimented stoop porches occur on either side elevation.

HISTORIC AMERICAN BUILDINGS SURVEY ✓

All lower sash 9/9, upper 9/6. Plan: Wide hall across front, two large square rooms in rear. All trim simple but very good and of period of building. Stair ascends at right end of hall in two flights, having turned balusters and moulded handrail.

2 STORY ELL IN REAR AT LEFT
ARCHED SOFFIT TO ROOF,
BLOCKED LUNETTE IN GABLE
